

generating device links based on the error reduction, each of the device links defining a transformation of color values for one of the combinations of source and destination color imaging devices; and

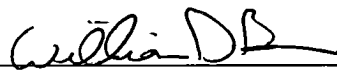

applying, for a selected combination of source and destination color imaging devices, a corresponding device link to transform color values for the selected combination.

REMARKS

In this Amendment, Applicants request that claims 39 and 47 be amended to correct a minor antecedent error. In particular, in the preamble of each of claims 39 and 47, "system" should be --method.-- This Amendment, pursuant to 37 C.F.R. § 1.312(a), would correct the minor error. Accordingly, Applicants respectfully request entry of this Amendment. The Assistant Commissioner is authorized to charge any additional fees, including any late fee, or credit any overpayment to Deposit Account No. 09-0069.

Respectfully submitted,

Date: March 2, 2000
